

BUYING GUIDE

HEMNES

DESIGN

Carina Bengs

CARE INSTRUCTION

Wipe clean with a cloth dampened in a mild cleaner.

Wipe dry with a clean cloth.

GOOD TO KNOW

Be sure to follow the instructions in the manual for charging electronic equipment. We recommend that you switch off the power supply when leaving electronic equipment unattended for a longer period.

The material in this product may be recyclable. Please check the recycling rules in your community and if recycling facilities exist in your area.

SAFETY

Different wall materials require different types of fixing devices. Use fixing devices suitable for the walls in your home (not included).

Living room and workplace in the same style

In the HEMNES series you'll find everything you need to make your living room pleasant and practical – and even create a workplace for productive work, too. Choose between tables, bookcases, glass-door cabinets, TV benches, desks and bureaus. Many with smart solutions that help you organise just about everything – from cords to cutlery, binders and knick-knacks. All pieces in the HEMNES series share the same genuine solid wood and timeless design, so it's easy to coordinate pieces and make a matching workplace that looks great in your living room – or anywhere in your home.

Beautiful in a natural way

There is something special about HEMNES – and one important reason is that all the furniture in the series is made of solid wood. Wood is a natural material that ages beautifully and is both durable and renewable. That's very important of course, but the feeling it gives is just as important; the solid wood gives character and natural beauty to the furniture. That will make you want to live with it in your home for a long time – and it will become more beautiful and more personal for every passing year.

All the products (shown here) may not be available at the store. Please contact the staff or look at www.IKEA.com for more information. For more detailed product information, see the pricetag and the Internet. All units require assembly.
